

For students and families—

Notes from

I wanted to take a moment to introduce myself, give you my contact information, and post some reminders. My name is Mandi Conroy, and I am your new School Nurse this year. I will be with you on school days, 7:30 am – 10:30 am. If you have any questions for me, I have a direct line at (518) 328-5009. You can also reach me by email at conroym@troycsd.org. Reach out any time and I look forward to working with each of you!

Some reminders to share:

- **If you have not yet sent in your physical form or immunizations, I need them as soon as possible.** Please also know that our fax machine is down at the moment, so copies sent in or emailed are best!
- **For students with allergies or asthma potentially requiring medication:** I will need your medication, an order from the doctor, and a copy of your action plan.
- Do you have vision coverage for your child? I have enrolled in a program that can offer vouchers for eye exams and glasses for students meeting income and insurance requirements. **If you currently do not have vision coverage with your insurance, and your child needs and eye exam,** please email me and I will send you more information!
